

WAROONA SHOW 8TH OCTOBER 2016

The 2016 Waroona Show hosted its wettest show in sometime this year, however, despite the severe weather forecast still managed to attract just under 10,000 visitors.

Rain was intermittent throughout the day which allowed patrons the chance to enjoy the many features and attractions that the Waroona Show had to offer. A cooler than expected spring resulted in fewer entries in the hall exhibits with exhibitors finding it difficult to find flowers and vegetables for their creations. However, those that were able to find alternative materials created some magnificent entries and a walk through both the main hall and the children's hall showed much talent from our local community.

The log chops were extremely popular along with the farrier's competition where the WA Farriers National Championships were being held. The Walmsley Pavilion was popular with many local producers exhibiting their goods along with cooking demonstrations and wine tasting.

Sideshow alley was as popular as always with the rain adding another element to the rides. Rather than avoiding the rides in the rain it seemed that riding in the rain was the preferred option for most.

The entertainment around the ground was amazing. Despite the weather the entertainers still put on a great display. A big thank you and congratulations to Waroona Agricultural Society features coordinator Katlin Hull for organising such magnificent entertainment. Katlin took this role over from current President Maree Ellis and did a great job in her first year. Hopefully next year the weather will work with her and you will get the full value of what was organised.

Congratulations and thank you to Captain of the Waroona Volunteer Fire Brigade and long-time Waroona Agricultural Society member Captain John Twaddle for officially opening the show along with our executive committee.

A big thank you and congratulations to the Waroona Agricultural Society for another great show. The organisation of the show is a massive job and the Ag Society are joined by hundreds of community volunteers from many different community groups, we thank you all. Also thank you to our sponsors Alcoa of Australia, Rhonda Wyllie Foundation, Lotterywest, WA Showmen's Association, Bendigo Bank, Harvey/Waroona Reporter, Shire of Waroona, Charles Hull Contracting, Mitchells Transport along with the sponsors of the log chopping events and the WA Farriers competition.
